

Fall, 1999: Turkmenistan Presidential courier jet (tail #EZ-B021), just landed in the Abu Dhabi *President's* private airport, to offload six illegal Central Asian falcons. Most U.A.E. C.I.T.E.S. and other transgressions occur in this exclusive airport. Two KGB couriers pose with 2 Turkmenistan pilots. This jet is on loan every season by Turkmenistan *President* Niyazov "Turkmenbashi", for covert imports by the Center and the U.A.E. *Crown Prince* Sheikh Khalifa bin Zayed al Nahyan.
